TN THE MATTER OF THE LICENSE OF	
IN THE MATTER OF THE LICENSE OF	) <b>Administrative</b> Action
Alan M. Balasic, M.D. License No. MA 053792	) CONSENT ORDER
TO PRACTICE MEDICINE AND SURGERY IN THE STATE OF NEW JERSEY	) } .

This matter was opened to the New Jersey State Board of Medical Examiners (hereinafter "the Board") upon receipt of information that on September 19, 2000, Alan Balasic, M.D. (hereinafter "Respondent") entered into Consent Order with the State of Connecticut Department of Public Health, containing a finding that Respondent has a permanent orthopedic disability and therefore limiting his clinical practice and restricting him from any surgical practice. It is undisputed that Respondent has developed a crippling, degenerative neck condition which currently disables him from practicing medicine in any form.

Respondent's New Jersey license to practice medicine lapsed in 1991, and has not since been renewed. Respondent is not engaged in the practice of medicine in New Jersey.

Respondent now agrees to placing his license to practice medicine and surgery in the State'of New Jersey as 'Inactive', and to continue to refrain from the practice of medicine in New Jersey.

The Board finding the within disposition to be adequately protective of the public health, safety and welfare,

ORDERED AND AGREED THAT:

- 1. Respondent's license to practice medicine and surgery in the State of New Jersey is "Inactive", and Respondent agrees to not practice medicine or surgery in New Jersey in any form.
- 2. Respondent is granted leave to reapply for the resumption of his licensure privileges to practice medicine in New Jersey should his orthopedic disability improve in a manner permitting him to safely perform the duties of a physician.

William Harrer, MD, BLD President of the Board

I have read and understood the within Consent Order and agree to be bound by its terms. Consent is hereby given to the Board to enter this Order. I understand that this Order has serious legal consequences and have decided to enter into this agreement with the Board without the advice of legal counsel, as is my right.

Alan M. Balasic, M.D.
